THEME

“One Health, New Wave”

The 33rd World Veterinary Congress is aimed at promoting and raising awareness about **One Health**, an emerging concept that encompasses the health of humans, animals and their environment, across the globe as well as sharing **New Wave** of the New Technologies in all disciplines of clinical veterinary medicine and creating a new trend in the field.

Dear colleagues,

On behalf of Veterinarians in Korea, it is our great honor to invite you to the 33rd World Veterinary Congress (WVC Incheon, KOREA 2017) to be held in Incheon, Korea from 27 to 31 August 2017.

The Congress program will include a number of prominent sessions and events spread over the four days. Korean Veterinarians are putting lots of efforts with a tremendous passion for the developments of veterinary field such as animal health care, quarantine, preventing zoonosis, food safety and animal welfare. We collaborate with the central government and the local government, and veterinary related organizations of Korea to make this event meaningful. We believe this Congress will provide an opportunity to debate regarding current veterinary issues and solutions with veterinarians all around the world.

The 33rd World Veterinary Congress will provide beautiful and satisfactory experience to attending veterinarians.

We ask for your interest and participation in WVC Incheon, KOREA 2017.
